

Multiple Tap & Adaptor

Wide socket spacing
45mm for
transformer plug.

Integrated circuits to
lower the impedance.

Polycarbonate flame
retardant material.

Double-side clasp
structure promotes
conductivity and
durability.

Model no. **53121**
for vertical direction

Model no. **53122**
for horizontal direction

For transformer plug
to avoid occupying
the outlet space.

Polycarbonate flame
retardant material.
